Department of Assamese

2022-2024

WOMEN CELL: VISION AND MISSION

The college has established a Women Cell for women faculty, staff and girl students to reinforce understanding of issues related to women and to make the society safer place for them. Its aim is to create awareness of their rights and duties. The cell organizes and participates in seminars, talks, field visits and also takes up women's issues and problems providing them a platform to share their experiences and views to empower themselves.

● VISION:

- To empower women in all spheres of life enabling them to recognize their potentiality in all fields. The Women Cell ensures students' welfare and facilitates with various activities conducted by college like awareness programmes, celebration of Women's Day, competitions etc..

● MISSION:

- To reinforce self-esteem as well as self-confidence of women students, faculty and staff in the college.
- To promote intellectual and cultural activities for personality development of the students.
- To develop thinking capability critically for women students.
- To develop decision-making ability.
- To enhance women participation on in all areas of the social cycle.
- To create awareness on certain health issues.
